

SERVICES

Electrical Testing

- Arc Flash Testing & Compliance
- IR Scans
- Medium Voltage Cable Testing

Battery Testing

- Full string testing and replacements

Preventative Maintenance

- UPS
- Data Center
- HVAC
- Variable Frequency Drives
- Fire/Explosion

Start-Up Services

Power & Cooling Assessments

Fire Suppression products.

DATA CENTER

Liebert UPS Systems

Representing Vertiv full line of Liebert power products with a range that can match your needs regardless of application.

- Desktop & Workstation 350VA to 1500VA
- Rack Mount 500VA to 20kVA
- Network 4kVA to 200kVA
- Large Facility 30kVA to 1600+VA
- Modular and Scalable Systems

Liebert Precision Cooling

Vertiv delivers cooling with a comprehensive range of Liebert data center cooling solutions.

- Small Room and IT closets
- High Density Cooling
- Large Room Cooling
- Telecom Enclosures
- Industrial Cooling
- Row-based Cooling

Power Distribution and Enclosures

As the amount of network equipment grows exponentially, scalable and flexible power management is a must for effective data center management.

- Distribution power cables
- Rack PDU
- Transfer Switches
- Power Distribution Units
- Busway
- Data Center Cabinets
- Data Center Infrastructure Management & Monitoring
- Aisle Containments

Raycap

- Service Entrance
- Distribution
- Point of Use
- Data Communications

Tate Access Floors

- Data Center
- General Office
- MRI
- Underfloor Air Distribution
- Modular Wiring Systems
- Custom Finishes Available

HVAC

ABB Variable Frequency Drives

Fuller Engineering is the authorized distributor of ABB ACH580 variable frequency drives for HVAC applications.

- E-Clipse Bypass & Drive 1 to 400 Hp (208/230/460/600V)
- Variable Torque Fan & Pump applications
- Manufactured in New Berlin, WI
- Many Configurations Available in Stock

Baldor Electric Motors

Baldor offers stock and custom solutions over a broad range of applications to fit your motor needs.

- Premium efficient inverter rated motors
- Internal AEGIS® Shaft Ground Bearing Protection Available

Condair Humidifiers

The Condair line of humidifiers is the most complete in industry. Fuller Engineering can assist in selecting or designing a humidification system suitable for your requirements.

- Adiabatic & Isothermal Humidification
- In AHU, Duct or Space

Paragon Airflow Measuring Systems

- Airflow Sensing Elements: Fan Inlet, Outdoor Airflow, Duct Mounted Stations with Straighteners and Duct Insertions
- Differential Pressure Transducers

Additional Specialties

- HEPA Filters
- Pool Dehumidifier
- Surgical Suite A/C
- Gas Detection
- Electric Heaters
- Refrigerant Monitoring

Samsung

- VRF Heat Pump Systems
- VRF Heat Recovery Systems
- Ductless Mini-Splits with Low Ambient to -40oF
- Split DOAS

FIRE/SECURITY

Access Control and CCTV

Our security systems are installed worldwide and designed for organizations of any size.

- AMAG Technology
- Schlage Security Management
- Lenel/S2 Security
- Honeywell
- OnSSI
- ExacqVision
- Axis
- Acti
- Panasonic
- Integral
- DMP
- DSC
- Avigilon
- Ava

Fire Suppression

With a fire protection system designed by Fuller Engineering, you can count on speed and efficiency with your fire protection.

- Clean Agent Systems:
 - FM-200 (FE-227)
 - Ecaro-25 (FE-25)
 - Sapphire (NOVEC 1230)
 - FK-5-1-12
- Inert Gas Systems:
 - ProInert (IG-55)
 - Inergen (IG-541)
- High/Low Pressure Carbon Dioxide Fire Suppression
- Vesda Air Sampling Detection Systems
- SigniFire Video Flame, Smoke and Intrusion Detection System
- Dust Collection

Explosion Protection

- Testing Services
- Venting
- Flameless Venting
- Suppression
- Isolation
- Detection & Control
